Support of nonprofits working to improve or support the philanthropic sector

1. Educate nonprofits on providing effective, efficient solutions within their mission.
2. Support specific organizations to increase their capability and capacity to deliver meaningful solutions.

Support of overall philanthropic giving by individual donors:

1. Educate donors on effective and impactful charitable giving.
2. Provide valuable information about nonprofits and their missions to allow more informed granting decisions from donors across the country.

Does your organization help to strengthen, expand, or otherwise promote the philanthropic sector as a whole? If so, your organization may be eligible for funding from the PIF. To apply, please complete all of the questions below and email the completed RFP packet to PIF@vanguardcharitable.org.

Submission deadline: 03/15/2022

Funding is typically awarded by the end of June.
